 - e. 45-54
 - f. 55-64

FAVORS SURVEY INSTRUMENTS

- g. 65+
- 11. Race
 - a. White
 - b. Black
 - c. Latino
 - d. Other

Questions in this survey are useful for helping counseling clients understand the importance of personality in mating and romantic relationships. Personality is significant to assess how individuals would be willing to form and continue pursuing rebound relationships when one ends.

FAVORS SURVEY INSTRUMENTS

Survey Design & Development

The development of Favors Survey Instruments is based on psychology research. The survey instruments are housed within the main title *Toxic Encounters: Why People Pursue Rebound Relationships, Part I*. The Selected Resources represent an abbreviated bibliography for the development of the survey instruments. The full bibliography is available on www.reginayfavors.com website and within the main casebook referenced.

Selected Resources

The following selected resources are connected to multiple YouTube series and research projects conducted on the topic of rebounding and rebound relationships. The following themes represent a select view of the topic. A comprehensive bibliography is available on www.reginayfavors.com.

About

About the Author

Email: reginayfavors@yahoo.com

Regina Y. Favors, M.A., received both master's and bachelor's degrees in English from San Diego State University. Regina is a former Adjunct Professor of English at Dallas College, Richland Campus in Dallas, Texas, teaching first-year composition.

Regina is currently completing a second online master's in psychology through The Chicago School of Professional Psychology (2022). Research interests include social psychology, adult attachment, rebound relationships, relational transgressions, and other short-term mating strategies.

Regina's primary focus is on the correlation between relational transgression and the onset of rebound relationships and the distinctive impact both have on a core relationship and a rebound relationship.

Regina's professional plans include completing a Ph.D. in the future.

For more information or bookings, please visit the website: www.reginayfavors.com.

About Favors Learning Center

The Regina Y. Favors Learning Center, d.b.a. Favors Learning Center, is a registered (inactive) government contractor and learning management solutions provider.

The sole proprietor is an IRS-registered entity, operating initially out of San Diego, CA, operating today out of Dallas, TX. FLC develops online learning materials.

The vision of Favors Learning Center is to become the preferred provider of educational materials that focus on overcoming setback through rebounding and life recovery and overcoming academic setback by focusing on feedback

All FLC products are in development as well as the full curriculum and online medium. The YouTube and social media products represent the foundation for the curriculum and are subject to change.
